

## **GORE-TEX/GORE PYRAD® based FR/AST/ARC WORKWEAR**

SAMURAI SAFETY WARRIOR®, Belgian based innovative PPE expert, will exhibit at the EUROSAFETY exhibition at Tampere, Finland from September 11<sup>th</sup> until 13<sup>th</sup>.

**Shirudo® workwear made with GORE-TEX PYRAD® fabric provides unparalleled flame retardant and arc-flash protection while delivering durably waterproof, windproof, and breathable performance to keep you dry and comfortable so that you can focus on your job.**

The highly breathable fabric helps to decrease sweat buildup, keeping you cool in moderate to warm conditions and warm in cool conditions. The PYRAD® fabric used in Shirudo workwear is very light weighted, even when wet. Your safety is enhanced by the fabric's **revolutionary self-extinguishing properties which enable gear to maintain its physical integrity even after direct exposure to flames or an arc-flash.**

Products made with GORE-TEX PYRAD® fabric consistently meet or exceed:

EN343 - EN ISO 11611 - EN ISO 11612 - EN 1149 - EN ISO 13034 - EN ISO 20471 – IEC 61482 – MED, F1891 and/or ASTM 2733 standards.

GORE-TEX PYRAD® fabrics are available in high visibility colors that exceed the requirements of ANSI/ISEA 107-2015 and CSA Z95-15 specifications.
